ECC006 Homework Assignment #3

1. Missing Code

```
<!DOCTYPE html>
<html lang="en">
<head>
<title>Trillium Media Design</title>
<meta charset="utf-8">
<style>
body { background-color: #0066CC;
color: "white"; }

header { "font-family": "Arial, sans-serif"; }
</style>
</head>

<body>
<header><h1>Trillium Media Design</h1></header>

<p>Our professional staff takes pride in its working relationship with our clients by offering
personalized services
that listen to their needs, develop their target areas, and incorporate these items into a
website that works.</p>

</body>
</html>
```

Missing parts:

- white
 - font-family
 - Arial, sans-serif
 - </style>
 - </head>
-

2. Find the Error

The page will not display properly because the `<style>` tag is not closed correctly.

Wrong code:

```
<style>
```

at the end of the CSS section.

Correct code:

```
</style>
```

The browser expects a closing `</style>` tag, but another opening `<style>` tag was written instead.
